

COMMUNITY BUILDING TEAM

MINUTES from FRIDAY SEPTEMBER 4, 2012

JESSE THOMAS – CO-CHAIR

SECRETARY'S REPORT – MARY PUENTE

Shared reasons for becoming community builders:

- Attract new immigrants to the RC meeting
- Generate interest to attain reps from other hi-rises
Offer tickets for transportation via bus, metro mobility etc.
- Create flier on people forming a community, information to residents on how to do this. Mentors program seniors with younger residents
- Get to know your neighbor without opportunity to disagree
- RC system is irrelevant. New people could be best to attract to RC activities.
- Build up RC
- Work one on one with residents, give a smile, make meetings less boring
- Meet new people.
- Generate more positive thoughts and ideas

Common issues at most hi-rises: gossip, negativity, boredom
