

10/5/18

Community Sharing Circle

Attendees: Melissa Pappas, Donna Walters, Pete Sletten, Rosie Leisze, Sharon Baker, Roxanne Sands, Tim Gjerdahl

Tim Gjerdahl from Ravoux chaired the meeting.

Seal now has a Wii system. The first Wii game day went well. Wii bowling was played. A number of people tried it out and enjoyed it.

Ravoux is trying to get game night running again. Their board wants to do bingo first. They could do both if they wanted to. (They used to have game night every Thursday night.) Having white elephant bingo was suggested. Participants would bring an unwanted item to donate. Those items would be used for prizes.

Leaving puzzles out in the Community Room can be a good way to get people involved and working together.

Gardening is a good way to bring people together. Getting a membership to the Minnesota Horticultural Society is a good way to get free plants and flowers for your hi-rise.

Ravoux had an end of season garden celebration where a meal was made with produce they had grown.

Ravoux, Montreal, and Seal are having Halloween parties.
Seal is having an Outer space/ Doctor Who theme.

The Guthrie Theater gives \$5 tickets for certain performances for those with EBT cards or Social Security paperwork. (You have to go to the theater in person with your documentation to get the discount.) Medicaid card, Section 8 paperwork also accepted.

Having a "Death by football" party on Thanksgiving afternoon was suggested. (There are multiple games that day.)

Action items:

Add Guthrie info to website.

Next meeting: November 2nd
