

11/2/18

Community Sharing Circle

Attendees: Melissa Pappas, Donna Walters, Pete Sletten, Sharon Baker, Roxanne Sands, Tim Gjerdahl, Julia Hupperts

Ravoux had a good turnout at their Halloween party. Seal had a nice party but few people dressed up. Montreal had a good party too.

Ravoux had about 50 people at their party. Montreal had about 25. Seal had around 20.

Ravoux had movies running in the background instead of music at their party.

Hi-rise computers are part of community building since the computers are used by the whole community and are meant to bring people together.

Ravoux is working on having a football party after Thanksgiving. They are also working on starting movie nights again. A question was raised about how to pick movies to show.

Seal has a large events calendar that is posted every month.

SPECIAL NOTES						

This is a good way to let residents know about upcoming events. Calendar sheets can be purchased from Sea Bay game company.

There is now a flyer for the Community Sharing Circle that can be posted in your hi-rise. This will be available on the PC website soon.

A poster for the Community Sharing Circle. The top half features a photograph of three people in a field, seen from behind, with their arms raised and hands forming heart shapes. A white icon of a person with arms raised is overlaid on the photo. The text 'COMMUNITY SHARING CIRCLE' is written in large, bold, white capital letters across the middle of the photo. Below the photo, on a dark green background, is the text: 'Make a difference in your hi-rise community. Meetings are held the 1st Friday of every month at 10:00a.m. 555 Wabasha St. N..'. At the bottom, a white rounded rectangle contains the URL 'HTTP://SHARING.STPHAPRESIDENTSCOUNCIL.ORG'.
