

1/4/19

Community Sharing Circle

Attendees: Melissa Pappas, Tim Gjerdahl, Angela Graves, Sharon Baker

Challenge grant:

Hamline has already planned to use their \$400 for exercise equipment.

Chair yoga classes are desired by a number of hi-rises. The St. Paul Parks And Rec department will be providing classes at Seal if there is interest.

Ravoux and Seal had New Year's Eve parties. Ravoux' swans in the evening. Seal's was earlier in the day because people don't come down in the evening much.

Ravoux had a number of volunteers. Seal has trouble getting volunteers. (It's usually the same couple of people doing everything.)

Ravoux is starting up game night again.

Wii bowling is popular at Ravoux and Seal.

Black History month was discussed. It seems a lot of the hi-roses have different ethnic makeups.

Hamline is doing something for MLK day.

They have tried different cultural things at Montreal and people didn't come down for them.

Ravoux is thinking of bringing back movie night. Seal has movie day but few people come down. Some hi-rises have to get the movies approved by the manager before they can be shown.

There is no official PHA policy requiring this. (There was an issue with someone watching porn at the one hi-rise and the new requirement was put in place.)

Next meeting: February 1st
