

# COMMUNITY BUILDING TEAM

## MEETING MINUTES

April 3, 2015

We began by asking what's on your agenda for the summer? Many replied "I don't know" or working on the gardening beds.

Jesse Thomas is leaving his duties as the president council treasurer and community building. Eileen Tittle is leaving to become a HSC. Thanks Jesse and Eileen and good luck with your new positions.

People are confused about the volunteer appreciation event. Hi-rise funds are used to pay for the event.

Jimmy Mach is also stepping down from the CB team to volunteer more at his hi-rise and tend to more personal issues. Thank you Jimmy and best wishes. Michele Anderson and Cathy Hicks volunteered to share the chair position next year.

Some activities at your hi-rise include Edgerton learning to say hello and good bye in Hmong from other residents. Wilson is having the summer picnic and movie night. Montreal has coffee club on Saturdays with bagels, donuts donated by local businesses. Montreal is adding a game night as reported by Michele Anderson. Dunnedin is having a pot luck. Someone suggested to purchase Saints games tickets at their new stadium.

Ruby reminded everyone to plan their summer picnics after July due to the fiscal year ending June 30<sup>th</sup>. This helps avoid 2 charges for the picnic during the same fiscal year. Our fiscal year ends June 30.

Announce in the Community Insider we are seeking more volunteers to work on the insider.

Each hi-rise will receive one new computer. Distribution will be even amongst the hi-rises. Each hi-rise should have 4 computers total.

Try not to allow negativity into the mix. Make a point to meet new residents. Let them know of activities in your building so they can join in. Ask if they have any suggestions for activities. Peaches says to SMILE and listen to others. Try to become a new listener.

We decided to do something to recognize Eileen's departure from the team. Mary and Ruby volunteered to bring a cake to the next meeting.

Next meeting is May 3, 2015.
