11/19/20

Attendees: Melissa Pappas, Diane Anastos, Gerard Forys, Keri Levin, Youa Thao, Andrew Ward, John Cardoza

Holding Computer Administrators Responsible
Which hi-rises have computer admins was discussed. Wilson doesn't have a computer admin at this time. The list on the roster needs to be updated.
Computer Admins and Peers are expected to attend Computer Team meetings. (That needs to be added to the Residents Council Guide.) The current information in the Guide needs to be reviewed and added to.

Community Room and computer room closing varies hi-rise to hi-rise. How the Computer Admin position will be affected by the closure will be discussed at the December meeting.
We can set the guidelines for admins here and vote on them. (They would then present them to the Executive Board and at a Presidents Council meeting.

Computer rep updates
Ravoux would like one of the donated computers.
It is okay to use donated computers in Council offices.
Mt. Airy still needs equipment for their office. (Monitor, hotspot, printer)

A question was asked about drawing the line on helping residents with their computers and devices. It's up to you to decide what is your limit and sticking to it.
