Computer Team Meeting
12/20/18

Attendees: Diane Anastos, Melissa Pappas,Gy Chajili, Laurie Wrycza, Bill Hughes, Gerard Forys, Ron Sexton, John Cardoza

Computer Peers: Melissa Pappas, Gerard Forys, Gy Chajili

Front may have issues with their computers. They also are looking for a monitor. (Iowa and Exchange May have extras.)

PCs for People is offering free computer classes. They are interested in offering classes at the hi-rises too.

Exchange just bought a 4th computer. Their computers are always busy. They have to enforce their time limit to make the computers available to everyone.

Valley has an issue with their printer. People are saying they can't print from the computers.

Seal has an issue with people not logging out of websites when they are done using the computers. (Recently the computers have been left logged into sites like EBay and amazon.com.

Offering assistance with setting up email addresses and paying rent online was discussed. This would be very helpful for residents and would make things easier for them.

Hi-rise websites were discussed. If a hi-rise would like a website they can send what they would like on it to Melissa Pappas and she will add it to the Presidents Council site.

Next meeting: January 17th
