Updates from IT Contractor and PHA IT

Melissa Pappas:

I did site visits at Neill, Valley, Hamline, Central, Front, Dunedin, Edgerton so far this month. No major issues found. Edgerton still needs to vote on getting new computers and make the purchase. The new TV cord has been purchased. There needs to be a special meeting if they want to purchase the computers before September.

Hamline still needs to look into getting the wiring done for the new Internet service. So far, I haven't heard of any councils getting charged for it.

Updates

A reminder was given to be patient if your hi-rise has a new Treasurer or new board members. Let Youa know if there are any conflicts with board members.

Keep turning in your timesheet each month during the summer. It doesn't have to be on the date the council meeting would have been on during that time.

Next meeting: July 23rd at 1:00p.m.
