➤ READY TO TRANSFORM YOUR FUTURE?! ➤

Quick and Convenient: Dive into our free online classes for just 8 weeks, with only 3–4 in-person sessions—transportation provided if needed!

Paid Internship Opportunity: after completing our 8-week training, you'll be eligible for job search assistance and a rewarding 10-week paid internship.

Career-Focused Training: Prepare for a job that's not just a paycheck, but a career you love and are excited to pursue every day.

Real-World Experience: Gain hands-on experience in your desired field, setting you up for long-term success.

Full Support: From resume building to mock interviews, we're here to make you job-ready and confident.

Interviews: Apply with our employer partners for opportunities to interview.

Personalized Coaching: We tackle barriers together, setting goals that move you forward.

Long-Term Commitment: We stay with you, supporting your journey as you strive for the life you've dreamed of.

Tech Ready: No computer? No problem! We offer laptops for participants to use during the course.

Your Champions: We're always in your corner, pushing for your success.
